

86 A1 SERIES SMART Switch

Elegant Multi-Gang Smart Control with Remote, Voice & Safety Features

The 86 A1 Series is a wall-mounted smart switch designed to control lighting and appliances through app and voice commands. Available in 1 to 4 gang options, it supports scene automation, energy monitoring, and secure operation through built-in overload protection—all in a stylish form that fits standard 86×86mm wall boxes.

Key Feature

App & Voice Control:	Compatible with Alexa, Google Assistant, and Tuya Smart for hands-free and remote access.
Multiple Gang Options:	Choose 1, 2, 3, or 4 gangs to control several devices from one panel.
Custom Scenes & Scheduling:	Automate routines like “Good Night” or “Away Mode” for smarter living.
Energy Monitoring:	Track power consumption in real time for smarter usage.
Built-in Safety:	Overload and over-temperature protection ensure safe operation.
Slim, Elegant Design:	Modern aesthetic available in various finishes to match interiors.
Standard Fit & Easy Installation:	Designed for 86×86mm wall boxes; simple to install using existing wiring.

Flexible Control Options

Offers remote access and voice control via Alexa, Google Assistant, and the Tuya Smart app.

Multi-Gang Versatility

Available in 1 to 4 gang models to suit single or multi-device control needs.

Smart Automation

Supports scene creation and scheduling for convenient, routine-based operation.

Energy Monitoring

Helps track power usage and improve efficiency in real-time.

Built-In Safety

Equipped with overload and over-temperature protection for safe operation.

Modern Design

Slim and stylish, fits standard 86mm × 86mm wall boxes for easy upgrades.

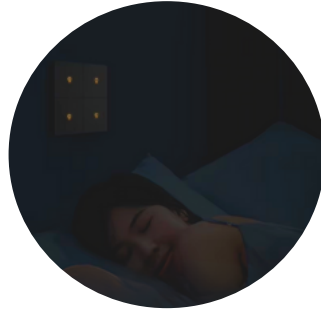

Soft & Responsive Button Feel

Enjoy smooth, quiet presses with fast rebound and no delay.

LED Backlight for Easy Night Access

Soft glow helps you find the switch in the dark without disturbing your sleep.

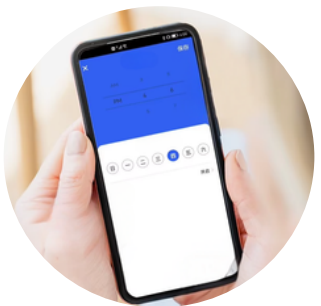

Smart 3-in-1 Control Switch

Supports single, dual, and multi-way control for flexible lighting management.

Voice-Controlled Smart Switch

Control your switch with simple voice commands via Alexa or Google Assistant hands-free and effortless.

Smart Timer for Energy Saving

Schedule lights to turn on/off automatically save power and match your routine.

86 A1 Series Smart Wall Switch

A sleek, multi-gang smart switch that offers remote and voice control, energy monitoring, and scene automation—perfect for modern homes and offices.

Dimension

Usage
